

The choice is yours

Convertors® Surgical Gowns, Drapes and Packs

Cardinal Health offers a full line of drapes and gowns in a variety of different fabric options to meet your comfort and barrier needs. Our portfolio includes Optima® drapes and gowns (comparable to Mölnlycke's BARRIER® line of surgical drapes and gowns), Tiburon® surgical drapes and Astound® and SmartGown™ surgical gowns.

Convertors® Surgical Drapes

Optima® Surgical Drapes

Our Optima® fabric is made from a spunlace material that feels and performs similarly to the fabric used in Mölnlycke's drapes and gowns.

Tiburon® Surgical Drapes

Tiburon® surgical drapes are impervious and absorbent throughout the entire drape, providing the highest level of protection available in the market.

Convertors® Surgical Gowns

Optima® Surgical Gowns

Our Optima® surgical gowns are made using a soft, breathable, cloth-like fabric. We offer standard, fabric-reinforced and impervious-reinforced Optima® gowns. Since our fabric feels and performs similar to the Mölnlycke fabric, changing to a Cardinal Health Convertors® brand Optima® gown should be relatively seamless to your staff.

Astound® Surgical Gowns

Astound® surgical gowns feature a lightweight fabric with outstanding barrier protection. They are offered in standard, fabric-reinforced and impervious-reinforced versions to suit your varying needs.

SmartGown™ Surgical Gowns

For the most demanding procedures, this breathable impervious surgical gown sets new standards for comfortable, cool and impervious protection against both fluid and microorganisms. With SmartGown™ surgical gowns, you no longer have to choose between comfort and protection – you get all the benefits of an impervious gown without sacrificing the lightweight, breathable comfort you prefer.

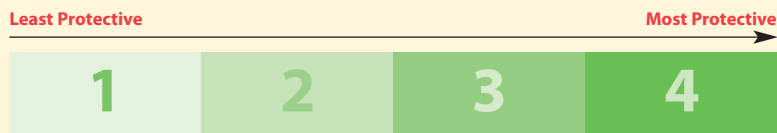

Tiburon® surgical drapes

Astound® surgical gowns

Looking for the highest level of protection according to AAMI's (Association for the Advancement of Medical Instrumentation) Liquid Barrier Performance Guidelines?

Astound® Standard Gowns	Level 3
SmartGown™ Surgical Gowns	Level 4
