Customized Admissions Kits,
Carafes and Bags

CardinalHealth

Standard Admission Kits

Cardinal Health personal amenities kits are an excellent way to make your patients feel at home while streamlining the process of patient admissions. Kits are available in standard configurations or can be customized with whatever combination of products best meets your needs. Bags and carafes can be imprinted with your hospital's logo and/or message. All products meet our high standards for quality plus value.

Any of the items in our comprehensive patient utensils line can be included in a custom kit. If you don't see what you need here or if you would like assistance assembling a custom kit, please contact your Cardinal Health sales representative.

Presource® products and services go beyond kitted medical and surgical supplies to create comprehensive, procedure supply chain management solutions that improve operational efficiency.

Simple or complex. Custom or standard. Sterile or nonsterile. The **Presource®** name is your single source for every supply configuration and every care event in the:

- Operating room
- Emergency room
- Labor and delivery
- Nursing floor
- Cath lab
- Radiology

Ask your Cardinal Health sales representative for more information about **Presource®** procedure packs or learn more at:

www.cardinalhealth.com/presource

Our carafes can be custom printed with your artwork and are available in a variety of styles, sizes and color combinations. They feature double-wall insulation to help eliminate condensation and keep beverages hot or cold longer.

Please note: there are no Cardinal Health catalog numbers for these items. Please use the order form to place an order for these products.

22-oz. size shown in granite-colored polypropylene (Style #622)

34-oz. size shown in clear polypropylene (Style #634)

32-oz. flare tumbler (Style #2365L)

Medical-Style Carafes With Dual Flip-Top Lid

Our medical-style carafes are an excellent choice for the patient bedside and feature double-wall insulation, a molded handle and a dual flip-top lid. Add graduation marks at no charge to track fluid intake. Choose clear or granite-colored polypropylene material.

22- or 34-oz. sizes. 48 carafes per case.

32-oz. Flare Tumblers

These tapered tumblers fit most cup holders and are a great way to leave a favorable impression with your patients. Dual flip-top closure lid with ice guard and straw. 48 tumblers per case.

22-oz. carafe with drink-through lid (Style #520)

12-oz. classic insulated mug (Style #512)

Medical-Style Carafes With Drink-Through Lid

These double-wall insulated carafes are manufactured with the cap and handle color you specify. Add graduation marks at no charge to track fluid intake. 22- or 34-oz. sizes. 48 carafes per case.

12-oz. Classic Insulated Mugs

Even children and elderly patients will find our large-handled mug easy to manage. Without the cover, it also holds a 12-oz. can. Spill-resistant, drink-through lid. 48 mugs per case.
